# International Service Options

**Quick Courier offers various international service options, depending on each customer's needs.**

## **Rush Priority Service**

For time- critical international shipments, dutiable or non-dutiable, this is the fastest mode of transportation available. We offer the latest possible pick up and earliest delivery. Utilizing Next Flight Out Service, Quick provides the most effective routing day or night, 24/7. We can deliver the same day to Canada and the Caribbean, next morning to Europe and South America.

## **International Quick Air Service**

A more cost effective option for less time-critical shipments. This service is available Monday through Friday.

## **Priority Freight Service**

For large or heavy weight shipments that need special care or handling, this is the fastest way to expedite transit. Quick provides a next flight out, next day, or a deferred service, depending on our customer's needs Quick also provides proper labeling and paperwork preparation prior to tendering to international airlines.
